Service Maintenance Contract

Service Contract will be signed and valid for one full year.

In consideration of the service contract cost indicated below, this authorized company agrees to the following:

Date: _____

First Service Date:

Last Service Date:

To make 6 inspection calls on the Aerobic system with:

Owner's Name:

Mailing Address:

Site Address:

Phone Number:

Inspection calls will include:

1. An effluent quality inspection consisting of a visual check for color.
2. Inspection of the aerator and line, risers, and sample port.
3. Check chlorine residual at each inspection when applicable.
4. If any improper operation is observed which cannot be corrected at that time, the user shall be notified in writing of the conditions.

The cost of this service contract will be:

3 years at a cost of \$50.00 per inspection

Additional service as ordered including replacement of components, laboratory test work, and pumping of unit or pre-tank will be done upon requests from the customer and at an additional cost.

Important: This agreement does not cover the cost of service calls, labor or materials which are required due to misuse or abuse of the system; failure to maintain electrical power to the system; disposal of non-biodegradable materials, chemicals, solvents, grease, oil, paint, etc. This includes any usage contrary to the operation of this unit. Chlorine cost for the chlorinator is the owner's responsibility.
